N.B. The figures in the right-hand column indicate the level of training that the teacher has reached, 5 being the highest. Mats indicates that the teacher graduated in Matsumoto, Japan, while an asterisk indicates post-graduate study in Matsumoto. Other letters after the level number indicate the country in which the teacher trained. The minimum requirement for staying on the BSI teachers' list is 2 years training (preferably continuous) and level 2. A break of 3-5 years is allowable, depending on individual circumstances
